THE DOWNBEAT

Musical Protest

Join us for this protest regarding rehearsal space in the Chan Centre!

MUSA is organizing a musical protest and would be so appreciative if you could join us for this cause. This protest is about the ongoing issue of UBC student ensembles losing access to the Chan Centre, which directly impacts our music education. The plan is to make music and show why student performance spaces matter.

Snacks will be provided and we're also happy to write absence slips if you need to miss a class to attend. We would love to have you there.

When: March 12th, 11:30am (Orchestral Performance), 12:30pm (Community Sight Reading Session), 1:00pm (Chamber Music Performances), and speeches throughout the day

Where: AMS Nest Lower Atrium

Bring your instrument!
